

## **Elevator Pitch 2:**

Let me ask you something.

How are you getting customers to visit your business?

How are you getting them to come back more often?

Local Thanks is a full scale marketing program that keeps you in front of your customers and brings them back on a regular basis.

The package comprises a mobile app, social media, digital promotions and coupons. It also includes email, text message, and push notification through the mobile app as well as putting you in the Local Thanks geo – location system.

This all-in-one program will build your sales for about the cost of a cup of coffee a day.

Right now we have a special pricing offer including your first two months Free.
