Retain your current customers

- Capture your customers' information
- Excite customers with interactive offers "Screcials"
- Create Digital Rewards (Frequency "Punch" Cards)

Communicate with your customers

- Create personalized email, text, and push messaging
- Integrate with Social media (Facebook, Twitter, Google+ and more)
- Promote Daily and Special Offers

Attract new customers

- Drive Customers to your location through Geo-Location
- Grow your business through Social media
- Cross-Market with other LOCAL thanks businesses to increase your customer base

It's as Easy as 1.2.3.

Create your promotions

Connect with customers

Engage your customers

Branded Site and Mobile App

You get both a website and Mobile App branded for you with customizable features.

Promotions

Craft promotions that work for your business. There is no hidden cost associated for running promotions with us.

Digital Scratch-Off

Engage your customers with our unique SCRECIAL® scratch off feature. Customers will be excited to visit your promo page on a daily basis to scratch and see your latest SCRECIAL®.

Marketing Material

You'll be meeting a lot of new customers, so we provide in-store and window advertising to let your customers know about your LOCAL thanks program.

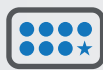

Analytics

Track your growth with useful data updated in real time.

Communicate

Create personalized email, text, push messaging, and social media campaigns to stay in touch with all your customers.

Digital Punch Card

Create a digital card that has as many punches as you want and you can choose how you want to reward your customers. You can also make any promotion count as a "punch" on your customer's cards.

Social Boost

The platform includes an initial program of reaching out to thousands of new potential customers in your neighborhood through paid Facebook ads. You simply tell us what promotions you want to post, we pay for the ads and you watch as new customers come through your door.

And **LOCAL thanks** will do the work for you.
